

## Volunteers Needed

Healthy normal volunteers are needed to participate in a research study for the Computation and Cognitive Neuroscience Laboratory in the Department of Psychiatry at Emory University School of Medicine.

To be eligible you must:

- Be between **18** to **45** years of age
- Be able to clearly see a computer screen display (vision corrected or normal vision)
- **Right** handed
- Females must **not** be **pregnant** or **nursing**
- Have **no** active **medical** or **neurological disorder**
- Have **no** current or past history of **mental illness**
- Have **no** current or past history of **alcohol** or **drug dependence**

Time required is approximately 2.5 hours.

Study involves an MRI scan lasting approximately 1 hour at Emory University Hospital. During the MRI scan, participants will be asked to complete a computer task involving monetary decisions. After the scan, participants will be asked to complete 4 questionnaires. All testing is free of charge to the subject.

**Compensation: \$44-\$76 & Brain pictures available**
